**Out-Of-The-Box –
Becoming better, bolder &
brighter as the leading light
in your industry!**

Leading in the new era: The future of genders

What will the roles of genders be in the 4th industrial revolution? How do you prepare yourself as the leader in the new era, in a world moving from MeToo to WeToo?

Talking points

Branding yourself as a leading light

What are the crucial steps in personal branding?
How do you brand yourself as a leader in the new era?
What do you mean when you say: The secret to your success is already right in front of your tits?

The future of genders

Why are men not from mars or women not from venus?
How will gender roles change in the future?
How can you prepare yourself as a leader in your industry to thrive in that change?
Why is this a critical time in human history to go inwards and let go of the boxes you've put yourself into?

Speaking topics

The Future of Gender: What Does it Mean for You as a Leader?

The latest research in neuroscience, epigenetics and quantum physics tells us that we are capable to change way more than we've been conditioned to believe.

What does that mean for the future roles of genders?
How do you prepare yourself for the leadership needed in the 2030s?
Why is it entirely possible for you to adapt to this new paradigm?

Branding Your X-Factor

The world is screaming for more authentic leaders. People who are unafraid to lead from their heart.

How do you do that for yourself as well as your team?
What are the 5-steps to branding yourself as the leader in your industry?
What are the most important do's and don'ts in the process?
